Dear [Firstname],

How's your sexual performance? Are you getting as much as
you'd like? And as often?

No?

Then don't panic. Instead send for your free 30-day trial
of Arouser™, a new all-natural product that's guaranteed to
bring you greater sexual arousal than you've ever experienced
before, or it won't cost you a penny.

Arouser™ is a one-a-day herbal capsule that's easy to
swallow. Has no negative side effects. And is safe.

The pill may be small. The wallop it packs is anything but.
I assure you.

In fact, I would like to caution you about one thing.
Whatever you do. . .

Don't wear tight fitting pants!

That's because the bulge in your trousers will cause you
endless embarrassment.

And that's not the worst of it. This enormous bulge will
not - no matter where you try to mentally escape - go down.

Do you have a girlfriend? Wife? Lover? If so, then they'd
better watch out. And I'm not joking. You will be as wound up
as a bow arched back almost to breaking point, with arrow ready
to release. There will be no stopping you or your passion.

You will be a "Man Gone Wild."
